Vanities

Your Vanity
YOUR WAY

Like a tailor-made vanity, without the wait

With five warehouses throughout Australia, all stock is readily available. This means you can create a custom-look vanity without the long lead time.

FSC certified

Our universal vanity cabinets are sourced from manufacturers that hold Forest Stewardship Council® Certification (FSC). This ensures that the raw materials used in our products are only sourced from sustainable, managed plantation forests.

Eco-friendly E0 board

Fienza cabinets are manufactured with highly water-resistant, 2-pac medium density fibreboard (MDF). The majority of our cabinet range is made from E0 grade board, which has 50% lower formaldehyde emission than the minimum Australian Standard (E1 board). This significantly reduces the risk of potential adverse health effects from formaldehyde, ensuring a safe product that can be installed and used immediately in the home.

Your Vanity

YOUR WAY

Fienza's Universal Vanities range allows you to choose from an extensive range of basin-tops, cabinets, and accents to create the perfect vanity for your bathroom.

Pieces are interchangeable, giving you the freedom to create your vanity, your way.

YOUR PERFECT BASIN-TOP VANITY IN 3 EASY STEPS:

<p>1 Choose your basin-top 5 styles available</p>	
<p>2 Choose your cabinet Over 20 styles available</p>	
<p>3 Choose your accents Multiple styles available</p>	

HIGH QUALITY DESIGN AND CONSTRUCTION
Backing boards and drawer bases are 16mm thick to ensure strength and quality throughout.

SOFT-CLOSE DOORS AND DRAWERS
All Fienza cabinets come with soft-close doors, and most cabinets feature soft-close drawers.

ALUMINIUM HANDLES & LEGS
Aluminium is a much less reactive material than stainless steel, keeping its bright chrome appearance and outlasting stainless steel products.

FULL EXTENSION DRAWER RUNNERS
Allows access to the full depth of storage space in your cabinet.

Fienza's Universal Vanities range allows you to mix 'n' match styles and pieces to create your vanity, your way.

Pieces are interchangeable allowing you to build your own custom vanity.
