

LINKWARE

Australia Pty Ltd

Plumbing & Hardware Manufacturers

OUR SERVICE

Linkware Australia was founded in 1999 and set up in Ningbo, China. With national representation and a growing international reputation Linkware Australia are focused on delivering quality products with a commitment to meeting our clients expectations of healthy returns.

LOGISTICS

From our Head Office warehouse facility in Huntingwood NSW, Linkware's range of over 3,500 products provide our customers with the satisfaction of product availability and prompt delivery service.

PRODUCT DEVELOPMENT

Linkware are focused on bringing products to the market that are, at times, unique but most importantly meet the high standards of the Australian market. Our ranges reflect popular and current trends along with the promise of meeting customer expectations of performance and reliability.

WEBSITE

Search our online product library at linkwareint.com. This provides customers and clients with detailed product data, printable technical drawings and recommendations for complimentary ranges.

It also provides our direct contact information if you wish to speak to a member of our team to further assist you.

SOCIAL

Linkware's facebook page Linkware Australia keeps you in the loop with new product releases, current marketplace trends and helpful tips for installation and maintenance of your products.

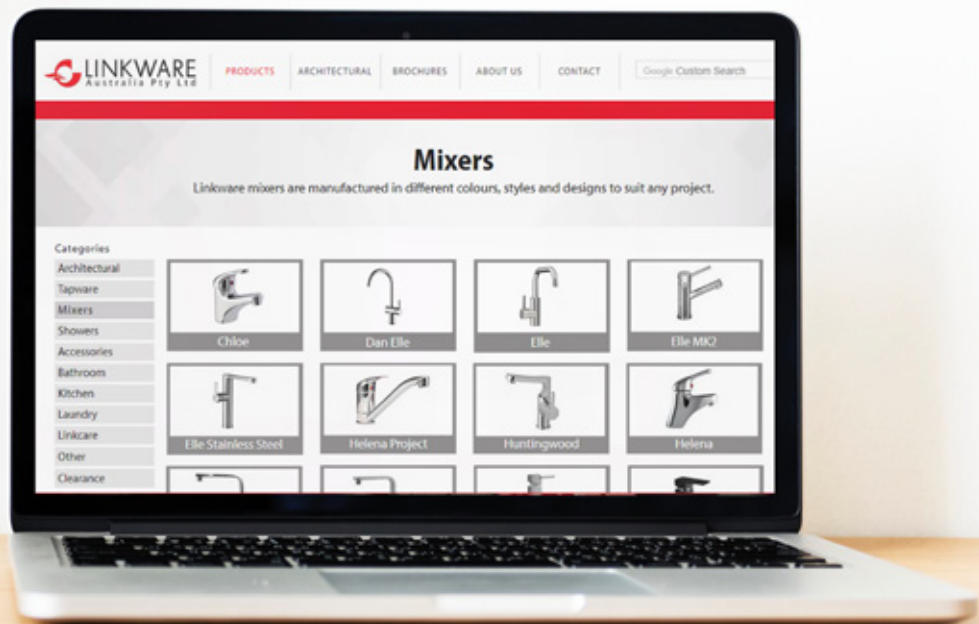

Let @linkwareaustralia inspire you with our product range and provide followers with fresh ideas for your next renovation or build.

Although we recommend our products be installed by a licensed plumber that doesn't stop us from wanting to inform you about tips and tricks to make plumbing easier.

Follow our channel Linkware Australia to see what our staff can do for you which includes store relays, installation instructions, product releases and general plumbing tips.

ELLE STAINLESS STEEL

The Elle Stainless Steel mixer range is beautiful, functional and stylish with pin lever and paddle handles. Manufactured completely from 304 grade stainless steel these products can provide peace of mind for the health conscious.

Including the outstanding Pull Out Sink Mixer with a brushed, polished and Matte Black Finish. (304 Grade Stainless Steel is not suitable for outdoor use)

Trigger Spray R460B
Dual Cistern Cock T115DSS

TRIGGER SPRAY / DUAL CISTERN COCK

The Linkware range of trigger sprays are engineered with precision and include quality fittings, providing a product of the highest quality. Suitable for many applications, with dual backflow prevention and anti burst hose - these items are a standard above any other product being considered for bidet spray applications (subject to Australian Standards being met for installation)

Building on the success of the Trigger Spray, Linkware has released a Dual Control Cistern Cock. Featuring two outlets and separate controls, these are perfect for applications requiring two outlets with the ability to isolate one source. Made from the finest materials, these are quality products and finishes to suit many tastes.

GRAB RAILS

Our high quality products are all manufactured to the applicable standards. These grab rails are suited for a particular purpose but all feature a 32mm diameter stainless steel material with the highest quality Polished Stainless Steel Finish. Most measure multiple fixing points for each flange and have a unique access for fixings.

NOTE: Hand Rails are available in Right Hand Version where codes shown.
